**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Broadband is critical to my home and business. I live in a rural community? Local broadband providers are very critical.

I am stuck with just two providers and say NO to price hikes that will increase the cost of internet and telephone services. We need more competition and therefore competitive providers.
